

Independent Auditor's report on the Annual Accounts and the Final Statement of eligible expenditure actually incurred of European United for Democracy (non-profit organisation registered in Denmark) for the year ended 31 December 2016

In accordance with our service contract dated 18 November 2016 with the European Union represented by the European Parliament, we report to you on the performance of our audit which was entrusted to Ernst & Young Réviseurs d'Entreprises scrl. This report includes the opinion on the balance sheet as at 31 December 2016, the income statement for the year ended 31 December 2016 and the Notes (all elements together the "Annual Accounts") and on the Final Statement of eligible expenditure actually incurred as well as on compliance with rules and regulations applicable to funding of political parties and political foundations at European level.

Report on the Annual Accounts and the Final Statement of eligible expenditure actually incurred- Unqualified opinion

We have audited the Annual Accounts of European United for Democracy (non-profit organisation registered in Denmark) (the "Entity") as of and for the year ended 31 December 2016, prepared in accordance with the financial-reporting framework applicable in Denmark, we have audited the Final Statement of eligible expenditure actually incurred for the period of eligibility defined by the grant award decision of European United for Democracy (non-profit organisation registered in Denmark), and prepared in accordance with the rules and regulations applicable to funding of political parties and political foundations at European level.

The Annual Accounts show a balance sheet total of € 174.355 and the income statement shows a profit for the year of € 11.272. The profit of the year, transferred to the reserve account, is used to reduce the losses carried forward. Accumulated losses (including the result of the year) amount to € 26.969 and a carry-over to € 40.225.

Responsibility of the Members of the Board for the preparation of the Annual Accounts and the Final Statement of eligible expenditure actually incurred

The Members of the Board are responsible for the preparation of Annual Accounts that give a true and fair view in accordance with the financial-reporting framework as applicable in Denmark. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation of Annual Accounts that give a true and fair view and that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the given circumstances.

The Members of the Board are responsible towards the European Parliament for the use of the grant and must comply with the provisions of the Regulation EC (No) 2004/2003 and the underlying acts.

Responsibility of the Auditor

Our responsibility is to express an opinion on these Annual Accounts, based on our audit. Furthermore, with respect to the Final Statement of eligible expenditure actually incurred, it is our responsibility to express an opinion on the compliance with rules and regulations applicable to funding of political parties and political foundations at European level.

We conducted our audit in accordance with the International Standards on Auditing (“ISAs”). Those standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance whether the Annual Accounts and the Final Statement of eligible expenditure actually incurred are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and Notes in the Annual Accounts and the Final Statement of eligible expenditure actually incurred. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Annual Accounts and the Final Statement of eligible expenditure actually incurred, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Entity’s preparation and fair presentation of the Annual Accounts and the Final Statement of eligible expenditure actually incurred that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used, the reasonableness of significant accounting estimates made by the Members of the Board, as well as evaluating the overall presentation of the Annual Accounts and the Final Statement of eligible expenditure actually incurred.

We have obtained from the Members of the Board and the Entity’s officials the explanations and information necessary for performing our audit procedure and we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Unqualified Opinion

In our opinion, the Annual Accounts (i.e. balance sheet, income statement and Notes) give a true and fair view of the Entity’s net equity and financial position as at 31 December 2016, and of its results for the year ended, prepared in accordance with the financial-reporting framework applicable in Denmark and the Final Statement of eligible expenditure has been prepared in accordance with the rules and regulations applicable to funding of political parties and political foundations at European level.

Emphasis of certain matters

Notwithstanding the loss carried forward which impact the Annual Accounts of the Party, the Annual Accounts are prepared under the assumption that the activities will be continued. This assumption is sustainable as long as the Party will receive financial support from the European Parliament or other financing sources. Without altering our audit opinion, we draw your attention to the Notes in the Annual Accounts in which the Party justifies the application of accounting policies under the assumption of going concern.

Report on other legal and regulatory requirements

The Members of the Board are responsible for the compliance by the Entity of the legal and regulatory requirements applicable in Denmark, its articles of association, the legal and regulatory requirements regarding bookkeeping and the provisions of the European Parliament’s grant award decision, Regulation (EC) No 2004/2003 and the underlying acts.

Our audit work included specific procedures to gather sufficient and appropriate audit evidence that the financial provisions and obligations of the grant award decision, Regulation (EC) No 2004/2003 and the underlying acts have been met.

We make the following additional statements, which do not modify the scope of our opinion on the Annual Accounts and on the Final Statement of eligible expenditure actually incurred:

- without prejudice to certain formal aspects of minor importance, the accounting records were maintained in accordance with the legal and regulatory requirements applicable in Denmark;
- the financial documents submitted by European United for Democracy (non-profit organisation registered in Denmark) to the European Parliament are consistent with the financial provisions of the Bureau's grant award decision;

NOTES

1. **GOING CONCERN**

Europeans United for Democracy (EUD) has a negative total equity due to the prior year losses carried forward. Notwithstanding this negative equity position, we consider the association as in going concern as long as it can receive grants from the European Parliament and/or other third parties (e.g. membership fees,...) which are already foreseen for the upcoming accounting year. Therefore the accounting records are established based on the principle of continuity.
